## TALENT CLASSIC L 400

CODE  
CR1356519

MODEL  
Q90MA/E400

SERIE  
QUEEN 9

### GENERAL FEATURES

- AISI 304 stainless-steel bases and worktops, Scotch-Brite finish
- Depth of 900 mm for high power and performance
- Catalogue offers more than 350 standard models
- Worktop, base cabinet, base cabinet with doors and oven versions
- 20/10 worktop thickness
- Twin-piece knobs prevent infiltration of dirt and have an IPX5 water ingress protection rating
- Gas ranges having burners with various configurations and power ratings: 3.5 kW - 5.7 kW, 7 kW and 10 kW. Double-ring burners for 7 and 10 kW models
- Wide range of accessories

The knobs offer optimum grip and help the chef to have the setting controls right under his eyes. Special attention has also been paid to the knob bezel that has been expertly designed to avoid penetration of liquids and/or dirt. Thanks to the IPX5 water jet ingress protection rating, awarded after passing specific tests, knobs and knob bezels can be washed at the end of the working day without affecting performance or safety.

### TECHNICAL DETAILS

#### ELECTRIC

#### TALENT CLASSIC L 400

- Worktop and control panel made of AISI 304.
- "Thermo-block" heating elements: armoured heating elements included made from a fusion of highly heat-resistant aluminium.
- Supplied with a water filling system.
- Double-walled lid without perimeter seal.
- Two USB outputs positioned below the control panel (compartment zone) for storing recipes and updating software.

QUEEN 9

Thanks to the IPX5 water jet ingress protection rating, awarded after passing specific tests, knobs and knob bezels can be washed at the end of the working day without affecting performance or safety.

The front bar is a comfortable place for the chef to lean on; it means you will remain at a safe distance from the worktop and therefore protects from accidentally knocking against both items lying on the worktop and the knobs.
